H.E. Dilma Vana Rousseff
President
Federative Republic of Brazil
Brasília, DF

Dear President Rousseff:

On behalf of the U.S. Chamber of Commerce, please accept our warmest congratulations on your presidential re-election. As you know, the U.S. Chamber is the world's largest business federation, representing the interests of more than three million businesses of all sizes, sectors, and regions, and we are proud to represent the largest U.S. investors in Brazil. Brazil's commitment to democracy, the rule of law, and global trading system set an outstanding example for nations around the world.

The U.S. Chamber, through our Brazil-U.S. Business Council, continues to support stronger bilateral relations between our countries and the call for an official state visit for you to meet with President Obama in the coming months. During this visit, we would be honored to host you and your cabinet officers at the U.S. Chamber in Washington, DC, as we were pleased to do during your previous administration. Such a gathering would include current and prospective investors in Brazil and would be organized in partnership with our colleagues at the National Confederation of Industry (CNI).

Again, please accept our congratulations on your re-election. We look forward to working with you and your administration in the coming years.

Best wishes.

Sincerely,
